

PRODUCT BULLETIN

SPHINX ODOR CAN

Product Overview:

Eliminate terpene odors, gases and VOCs from the air with SPHINX's Odor Can. Our filters utilize SPHINX virgin activated carbon to trap those unpleasant odors, so they don't leak out and cause problems with surrounding communities or affect employees' health and well-being. This allows you to keep your grow house operational without disturbing the neighbors.

As a proven leader in molecular filtration for over 50 years, you can rely on Purafil's SPHINX solutions to effectively remove nuisance odors and gaseous contaminants. We offer both a heavy and lite line for a more customized solution for your unique needs.

SPHINX Odor Can

- Helps control terpene odors, VOCs, gases and contaminants
- Packed bed design with SPHINX activated carbon
- Low pressure drop and consistent performance
- Media Bed Depth: 2.5"
- Ideal for use in agricultural facilities, greenhouses and indoor grow houses
- 0.1 second contact time

SPHINX Odor Can Lite

- Removes high concentrations of odorous gases and contaminants
- Light and versatile for easy installation and change-out
- Packed bed design with SPHINX activated carbon
- Airflow (CFM): 250-3,000
- Media Bed Depth: 2"
- Ideal for use in agricultural facilities, greenhouses and grow houses

SPHINX Odor Can Filters

BLEND	PART NUMBER	DESCRIPTION	EACH / CASE	CASE / PALLET	Item Weight (lbs)
SPHINX Carbon Odor Can Air Filter	SPHX150-CF-CARBON-P	CANISTER, STEEL, 16" Diameter X 60" Length, Flange Not Included	1	6	165
	SPHX100-CF-CARBON	CANISTER, STEEL, 16" Diameter X 40" Length	1	12	110

SPHINX Odor Can Lite Filters

BLEND	PART NUMBER	DESCRIPTION	EACH / CASE	CASE / PELLET	Item Weight (lbs)
SPHINX Odor Can Lite Filters	SPHX1500-CL-CARBON-P	CANISTER, STEEL, 14" Diameter X 40" Length, with Built-In 10" Flange	1	6	51
	SPHX1000-CL-CARBON-P	CANISTER, STEEL, 12" Diameter X 40" Length, with Built-In 8" Flange	1	6	42
	SPHX850-CL-CARBON-P	CANISTER, STEEL, 12" Diameter X 30" Length, with Built-In 8" Flange	1	12	34
	SPHX600-CL-CARBON-P	CANISTER, STEEL, 12" Diameter X 20" Length, with Built-In 6" Flange	1	18	24
	SPHX250-CL-CARBON-P	CANISTER, STEEL, 8" Diameter X 14" Length, with Built-In 6" Flange	1	70	9
	SPHX175-CL-CARBON-P	CANISTER, PLASTIC, 6" Diameter X 14" Length	1	70	4
